# Free Map Building Cycling Spokes

## About Spokes

Spokes is an active campaign group set up to encourage cycling and publicise its benefits. We are based in the East Kent area of the UK but have an interest in better conditions for cyclists everywhere.

We publish a free quarterly newsletter in which we air our views and the views of others on cycling issues and ensure its widest possible distribution. You can read the latest edition and back issues online via [www.spokeseastkent.org.uk](http://www.spokeseastkent.org.uk).

We also organise a full programme of rides and cycling events in and around Kent to be enjoyed by ordinary people.
